

Kolb Road: Connection to Sabino Canyon Road

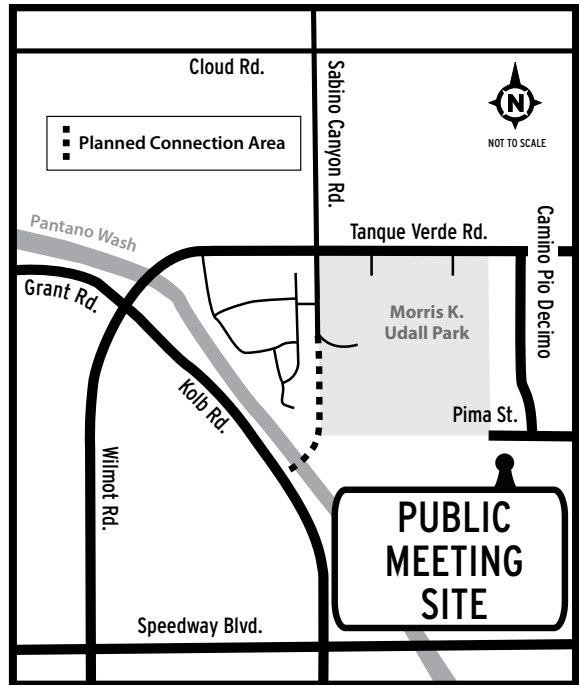

Public Meeting Notice

The City of Tucson Department of Transportation (TDOT) requests your participation in a public meeting. The purpose of the meeting is to update the public on the progress and the schedule of the voter-approved Regional Transportation Authority (RTA) plan to connect Sabino Canyon Road with Kolb Road, and to gather public input.

The proposed improvements, as described in the RTA plan, include a four-lane roadway with bike lanes and sidewalks extending Sabino Canyon Road south from its intersection with Tanque Verde Road to connect with Kolb Road approximately one-quarter mile north of Speedway Boulevard.

The project is in its second phase, which includes drafting the Environment Assessment and the Design Concept Report. Public involvement is a part of that process, and you are invited to attend the public meeting to provide your comments, ideas and concerns regarding the proposed project. If you are unable to attend the public meeting and would like to participate, please contact Barb Alley at barb@gordleydesign.com or 520-327-6077 to obtain information and a comment form.
